

**REPORT ON INTERNATIONAL FOUNDATION YEAR EXAM RESULTS FOR STUDENTS WHO
STARTED COURSE IN SEPTEMBER 2009 – RESULTS PUBLISHED 30 JUNE 2010**

SUMMARY

35 Students completed the exams - Health & Science 17, Engineering 8 and Business Studies 10.
33 students passed the exams and 2 failed.

1. Health & Science – 17

- 11 out of 17 students obtained exam grades of 2 A's and 2 B's or higher, these grades would indicate that these students may be offered a place in **Medicine** in RCSI (subject to success at interview).
- The remaining 6 students all passed the exams and have received Conditional Offer Letters from our Partner Universities and I.T.'s onto suitable undergraduate courses in the biomedical/health science area. I am confident they will all be placed in September 2010.

2. Engineering – 8

All students pass the exams

- 5 students obtained A and B grades, all these students have obtained conditional offer letters from our Partner Irish Universities and I.T.'s and will be placed on suitable courses in September 2010.

3. Business Studies – 10

8 students passed and 2 students failed

- 5 students obtained A and B grades, all these students have obtained conditional offer letters from our Partner Irish Universities and I.T.'s and will be placed on suitable courses in September 2010
