Personal Statement

Write at least 100 words explaining why you are interested in studying in Ireland and your chosen course at DIFC: (Please use additional pages if necessary)

Checklist for Application Documents

Please find attached the following supporting documents:

Copy of your Passport

Copies of your high school and University (if any) academic transcripts

Valid IELTS certificate

An up-to-date CV (required if there has been any gap in your studies or if you have work experience)

Acceptance of Terms & Conditions

All students are required to accept DIFC's standard Term & Conditions as part of the enrolment process. Please acknowledge your acceptance of DIFC's standard Term & Conditions by signing below and ticking this box

Signature: _____ **Date:** _____

Tuition Fees

The total tuition fees comprise:

- Programme Fee
- NCUK Registration & Examination Fee
- Medical Insurance
- Course Materials
- Bank Charges
- Optional airport/college transfer service
- Optional Accommodation & Arrangement Fees
- Re-booking Fee (if applicable)

Methods of Payment

Tuition fees should be paid by bank transfer to the DIFC bank account details provided.

Accommodation

DIFC offers to assist students with 4 weeks home-stay at the start of their courses to allow them to make their own arrangements for the remainder of their time.

The fee for 4 weeks standard home-stay is €750, including a non-refundable arrangement Fee of €50 (€850 for students aged under 18 years).

If home-stay is cancelled two weeks or more in advance of the commencement of accommodation, the Standard home-stay Fee will be refunded. If home stay is cancelled less than two weeks in advance of the commencement of accommodation, no refund will be made.

Re-booking Fee

Each time you request a change of course, or type of accommodation after your initial application, DIFC may charge you a non-refundable re-booking fee of €55, which is payable immediately.

Medical Insurance

All DIFC students are required to have medical insurance. We have negotiated favourable premiums for DIFC students with a reputable health insurance company. The policy protects you against many expenses incurred through accident or illness. The annual cost of this insurance is €200 for all DIFC courses.

Please note: this is not a travel insurance policy and does not cover baggage, theft etc. For students requiring a visa to enter Ireland, such insurance is a requirement and must be renewed after 12 months.

Cancellations Policy

All cancellations and withdrawals should be made in writing to a local DIFC representative office or the DIFC Head Office. In all cases, no refund of tuition fees paid is applicable. These conditions do not affect your rights as defined by the consumer protection laws in Ireland. by paying the Irregular Statement Fee of €60.

Refund Policy

Refunds are not available. The only exception to this rule is when a student's visa application has been refused on appeal.

The student must present the official refusal letter from the Irish Government to DIFC in order to secure a refund of fees (less €150 administrative fee).

Arrival Airport Transfers

When you confirm your place, you can indicate if you would like a DIFC Representative to meet you on arrival at Dublin airport and transport you to your homestay, or to another location if organised in advance. This service may be shared and is one way. You will also receive assistance when you travel to DIFC's Campus from your homestay on your first day. The non-refundable Airport Collection/College Transfer fee is €100.

Withdrawals

Withdrawal refers to cancellation of the chosen course after arrival in Ireland. No refunds will be allowed. If you wish to withdraw from your course after arrival at DIFC, you must give the DIFC school office at least four weeks advance notice in writing. For students requiring a visa to enter Ireland, they should be aware that the terms of their visa allow them to study at DIFC only and it is not possible to change to another college.

A no clearance letter will be issued in these circumstances, however a statement of attendance will be issued where four weeks advance notice of withdrawal is received. Where a student fails to give four weeks' notice in writing, a statement of attendance can be requested by paying the Irregular Statement Fee of €60.

Late Arrivals and Absences

If you arrive late to a course, or are absent during your course, no refund will be granted.

Damage to Property

Students, or those responsible for them, must pay the full cost of any damage they cause to property, whether at the College, their accommodation or elsewhere.

Academic Information

College Holidays & Duration of Lessons

DIFC will define the academic calendar for the year and students may only take holidays during designated College holidays.

DIFC courses follow a defined syllabus and have a defined number of hours, which may include any of the following: English language lessons, lessons in academic subjects, practical laboratory time, computer lab time, scheduled reading time, group or individual tutorials and other lessons.

Attendance

DIFC requires its students to attend all scheduled lectures, classes, labs, tutorials and computer sessions. Students who fail to attend will be subject to DIFC's disciplinary code which can, in serious cases, lead to removal from courses, without recourse to refund.

Students who require a visa to enter Ireland are also required, as a condition of their residence in Ireland, to maintain high levels of attendance – and this is subject to inspection by the Irish Government authorities.

Language Level

Students' language level may be tested locally using IELTS to meet requirements of the Irish visa application. This test is solely for use in visa application and does not waive the requirement for an English Placement Test upon arrival at DIFC. On arrival you will take a full test of English for Academic Purposes to determine your language level and underlying skill set before you begin your studies. Please note: in the case of a student having an insufficient level of language for their course, DIFC reserves the right to transfer a student to a Pre-Foundation English Course until such time as the student's language level is sufficient to warrant entry to the chosen Foundation course. Supplementary invoices will be issued in respect of the additional costs incurred.

NCUK Placement Guarantee

Non-EU students who study at DIFC are eligible for guaranteed placement at a Third Level University or College in Ireland or the UK, solely providing they have met all of the following conditions:

- All invoices have been paid in full
- Class attendance in excess of 90% is achieved
- All tutorials are attended
- All required course work is submitted on time
- All university/college application deadlines are met, as advise by DIFC's placement office
- The student is deemed to have received a passing grade in all subjects on their course

The Placement Guarantee does not apply to students studying Medicine, Dentistry or Nursing.

Force Majeure

DIFC will not be liable in any way to the student in the event of any service contracted to be supplied by DIFC, becoming impossible to supply by reason of industrial dispute, natural disaster, contagion or force majeure.

DIFC will not be liable for loss, damage, or injury to persons or property howsoever caused, save where the liability is expressly imposed beyond exclusion by statute. In the event that the World Health Organization (WHO), or an Irish governmental authority issues advice relevant to the temporary closure of educational institutions, DIFC reserves the right to suspend the college timetable until such time as it is appropriate to safely reinstate it. In such cases, every reasonable effort will be made to provide self-study plans for students.

Enforcement

All contracts and agreements with DIFC will be governed by Irish law.

Non-enforcement of any of these Term & Conditions does not waive our right to enforce them.
