University Access Programme (ILEP 0347/0006, English for Academic Purposes Foundation Year)

Entry Level: IELTS 5.0

Entry Level: IELTS 6.0 - 6.5

Entry Requirements: High School or Degree results need to meet the entry requirements of the University they are looking at going to directly after the UAP.

There is no academic uplift from taking the UAP program.

Start Date: 29th January 2024

End Date: 20th July 2024

Duration: 6 Months

IELTS Exam to be done at the end of the programme (20th July 2024).

Progression: Directly to University in September 2024, DIFC placement team will assist with the application.

PLEASE NOTE:

Students are legally allowed to work part time while studying on the UAP program at DIFC.

The UAP course is to help and improve a student's English level from 5.0 to either 6.0 or 6.5. They can then join a university of their choice after they have completed the programme to complete their bachelor's or master's degree.

Course Fees: Euros €6400, if a student opts to take an elective as well (which is extra academic skills) that will cost an additional Euros€ 2,000 so the total cost with an elective would be Euros€ 8,400.

Electives: 1 Undergraduate Elective - Academic Skills
2 Post graduate Elective - Research Methods

Following topics will be covered.

- **IELTS Preparation:** Comprehensive training sessions will cover all aspects of the IELTS examination. Through structured lessons and mock tests, students will build proficiency in listening, reading, writing, and speaking modules, aiming for the desired score.
- **Placement Counselling:** Recognizing the importance of aligning academic pursuits with career goals, dedicated counselling sessions will guide students towards the best university courses and programs that match their aspirations and potential.

Cultural Activities: To ensure a holistic learning experience, students will participate in a range of cultural activities. These are designed to foster adaptability and global awareness, invaluable traits for thriving in diverse university environments.
